DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first-aid care from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeanine Meister at 867-8229. (TA-C2)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

MASSAGE THERAPY: Massage Therapy available Tuesday - Friday, 10:00 am - 4:00 pm, room 1023, O&C Building. To schedule an appointment contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@kscems.ksc.nasa.gov. \$1.00 per minute/packages available. Gift certificates also available. (TA-C2)

KSC FITNESS CENTER: Are you aware of the wonderful services offered at the **KSC Fitness Centers (O&C & OSB facilities)**, all available at no charge to any KSC employee? They include consultations, fitness assessments, body composition, and personal training. In addition to those services, we also offer group fitness classes at the **O&C facility**. A new **Group Fitness Class Schedule** began **April 11th**, and will run through **July 1st**. We offer classes ranging from traditional aerobic and resistance training to classes such as yoga, Pilates, and yoPalates. Our classes are perfect for the beginner, as well as for the more advanced exerciser. Copies of the Group Fitness Class schedules will be available at both the **O&C** and **OSB** facilities, as well as our website. Please visit our website at <http://lssc.ksc.nasa.gov/fitness/>, for more information about our facilities, staff, and free services that we provide. **Let our friendly staff help you get started on fulfilling your goals today!** (TA-C2)

JUNE 2005 ASTHMA: Asthma affects an estimated 17 million Americans, including approximately 10%-12% of children and adolescents under age 18. Asthma may occur at any age, although it's more common in younger individuals (under age 40). People who have a family history of asthma have an increased risk of developing the disease. Asthma is also more common in people who have **allergies** or who are exposed to **tobacco smoke**. However, anyone can develop asthma at any time.

The asthma packet is available on the HEWP website:

<http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew#MonthlyTopic>. Hardcopies of the packet will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.

NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM

The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the NEWS website at <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=NEWSProgram>

JUNE N.E.W.S. PROGRAM WORKSHOP

The June N.E.W.S. (Nutrition Education for Workers at the Spaceport) workshop will be on Increasing Fiber Intake and Carbohydrates and will be held on Wednesday, June 25th from 11:30 am. to 12:30 pm. in the OSB, Room 6320.

N.E.W.S. program workshops will be held the 4th Wednesday of each month (with the exception of November & December) from 11:30 am-12:30 pm with alternating locations between the O&C (KSC Industrial Area) and OSB (KSC Launch Area) buildings. See the NEWS website for the entire year schedule.

STRESS MANAGEMENT WORKSHOP

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

JUNE VISION SCREENING SCHEDULE

No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

KARS: KARS Ceramics, Art and Craft Club meets at KARS Park I. Come join us and learn a new craft. Open to all KSC workers and families. Club meets at 7:30 pm, first Thursday of each month. For more information, call Geri Bloomquist, 783-0403.

KARS PARK: Kars Park now has a website, go to: <http://nasaexchange.ksc.nasa.gov> and select KARS Park. Get all kinds information about the park like: fees, membership info., hours of operation, rental info, camping, etc. See what's available in the KARS Calendar and make reservations online for your next personal or company event.

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.

GSA FEDERAL SUPPLY SCHEDULES FOR SERVICES: Professional Engineering; Management, Organization, and Business Improvement Services; Environmental Services, and much more. Contact your local GSA Customer Service Director, Steve McFarland, at 867-2833 to learn all about these flexible acquisition vehicles. Online, classroom and one-on-one training available.

MERRITT ISLAND NATIONAL WILDLIFE REFUGE JUNIOR RANGER PROGRAM: Kids ages 6-12 accompanied by an adult are invited to participate in the Merritt Island National Wildlife Refuge's Junior Ranger Program. The program is free. There will be five wildlife related programs presented from June through July. Kids that attend three of the five programs and create a wildlife project will be invited to an award ceremony and receive a Junior Ranger Badge and a certificate. Their projects will be displayed at the refuge visitor center in July.

The first program will be a *Marine Study and Seining*. It is scheduled for Friday, June 10 at 9:45 am. Participants should wear closed tie-up shoes and clothes that they can get wet.

The second program is *All About Manatees*. It is scheduled for Tuesday, June 28 at 9:45 am. Please contact Refuge Ranger Nancy Corona at 321-861-0668 or by email at: Nancy_Corona@fws.gov for further information and registration.

Please meet at the refuge visitor center for each of the programs. The visitor center is located on SR 402, 5 miles east of U.S. 1 in Titusville.

FRIENDLY YARDS FOR BIRDS AND BUTTERFLIES: Tired of only seeing cars when you look out of your kitchen window? Learn how to create habitat for wildlife in your own backyard. Merritt Island National Wildlife Refuge is hosting a program on how to make your yard appealing to birds and butterflies. The program will be presented by Dr. Richard Poole and Neta Villalobos-Bell. The first half of the program will consist of an indoor presentation that will include a series of before and after pictures of yards and a question and answer section. The second half of the program will consist of a walk along the boardwalk, behind the visitor center. Along the walk, Richard and Neta will demonstrate the principles of providing habitat for wildlife, which include providing food, cover, water, and space.

Richard Poole has a Ph.D. in plant physiology and he is on the Board of Directors for the Wekiva Wilderness Trust, a member of the state of Florida Wildflower Advisory Council Education Committee, and a local Native Plant Society member. Neta Villalobos-Bell is an Environmental Educator and is on the Board of Directors for Audubon of Florida and its local chapter, the Seminole Audubon Society. She is also a Seminole County/University of Florida Master Gardener, and a volunteer with Seminole County Natural Lands, leading native plant hikes.

This program is scheduled for Saturday, June 11, from 10am to 12pm. Please meet at the Merritt Island Refuge Visitor Center, located on State Road 402, 5 miles east of US1 in Titusville. For additional information please contact Nancy Corona at 321-861-0668 or by email at **Nancy_Corona@fws.gov**.

BASKETBALL CHALLENGE: There are just 28 more days to get your team signed up for our quarterly 3 on 3 Basketball Challenge. The challenge will be held at the Cape Fitness center on Friday, June 24 at 11:00 am. This will be a double elimination challenge so if you don't succeed the first time, you still have one more chance. To submit a team and to pick up a team roster, call the center at 853-3966 and ask for Chez or Colleen. The deadline for team submissions is Wednesday, June 22.

UNIVERSITY OF FLORIDA OUTREACH ENGINEERING MANAGEMENT MASTER'S DEGREE PROGRAM: The University of Florida will again offer its Outreach Engineering Management Program (OEM) in Cape Canaveral, with the next program beginning in August 2005. OEM is an engineering Master's degree program featuring live instruction in a convenient format designed for working professionals. Classes meet only one weekend per month (all day Saturday and Sunday). The degree program is a collaboration of UF's Colleges of Engineering and Business, and awards a Master's degree in engineering after 20 months of study. A newly instituted concurrent degree option makes also getting an MBA degree possible with only 12 more months of coursework.

The OEM Program is accepting applications now for the fall 2005 program. For more information, visit the OEM website (**<http://www.ise.ufl.edu/9oemp>**) or contact the OEM program office (1-800-321-0199;**emgrman@ise.ufl.edu**).

UNIVERSITY OF MIAMI (CAPE CANAVERAL PROGRAMS): The University of Miami will begin accepting applications for the Master of Science in Industrial Engineering (MSIE) starting July 2005 and the Master of Science in Management of Technology (MSMOT) starting August 2005. Both programs will be taught in Cape Canaveral. Courses are held Friday evenings and Saturdays to accommodate working professionals. For more information and to receive an application/brochure, please call Mr. Augusto Roca, Program Administrator at 1-305-284-4100 or send email to augusto@miami.edu.

WEBSTER UNIVERSITY: Webster University will offer a seminar at its Merritt Island Campus entitled "Personality Driven Behavior." The seminar, which will meet from 5:30 to 9:30 pm. on June 17th and from 8:00 am to 5:00 pm on June 18th, can be taken for graduate credit or may be audited for \$100. Participants do not have to be Webster University students to attend. With the use of the Myers-Briggs Type Indicator participants will determine their own personality type along with relevant characteristics and traits and review the relationship of personality to behavior in leadership, learning, management, communications, team participation and problem solving. For more information or to sign up for this seminar, email Carol Marx Corman at marxc@webster.edu or call 449-4506.

WEBSTER UNIVERSITY: Webster University will be starting another session of the Master of Arts Degree in Business and Organizational Security Management. If you are interested in pursuing this degree, send an email to Carol A. Marx at <mailto:marxc@webster.edu> with your name, address, and phone number or call at 449-4506. Anticipated course start is August 2005. Please pass this information along to a friend or co-worker who may also be interested. For further information about Webster University's programs at our Merritt Island, Palm Bay or Patrick AFB campuses, go to our website at www.webster.edu/spacecoast or call 321-449-4500.
